About the Data

Some New Mexico counties have access to a greater variety of economic opportunities for families as well as support services and programs to help them thrive. By highlighting data by county, we can discover varying needs for improvement in our systems and policies to reach every community and to improve child and family well-being.

Median Income of Families with Children¹

\$87,586

Children Living in Families with High Housing Cost Burden¹

41%

Teens (Ages 16-19) Not in School and Not Working¹

9%

Child Poverty Rate¹

11%

Grandparents Raising Grandchildren and Living in Poverty¹

12%

Children Living in High-Poverty Areas⁸

3%

Total Households Receiving Cash Assistance¹

3.7%

Total Households Receiving SNAP¹

13%

Children without Health Insurance⁹

5.2%
